

Audio/Video Interview Questions

Thank you for taking part in a Manchester Histories project.

We would like to get your feedback. In pairs, please use three of the questions below to interview and record each other, using your mobile phone or a voice recorder, to tell us about your experience of the project so far. You can also write down your answers if you prefer.

Please send your recordings to your project facilitator. Manchester Histories will store the interview recordings, and they may be used for reporting project outcomes only.

Midway through the project please answer the following questions:

What motivated you to get involved with this project?

What did you hope to learn, and what have you learnt to date?

How do you think this project has benefited you or your community?

What has been the best thing about the project so far?

Have you been involved in heritage/cultural projects before? If yes, which project(s); If no, what attracted you to this one?
